

Energy Modelling Platform for (EMP-E) 2018 - Modelling clean energy pathways

September 25 – 26th, 2018, EC headquarters, Brussels 21 rue du champ de Mars –
Marsveldstraat, 1050 Brussels

We herewith have pleasure to announce that the conference program is now finalized and accessible online at <http://www.energymodellingplatform.eu/full-program.html>. We solicit all participants of DAY 2 to familiarize with the focus group subjects and to indicate in this [survey](#) their participation preferences. Additionally we have the honor to forward to you the official invitation for the EUFORIE roundtable organized by [Dr. Jarmo Vehmas](#):

Invitation for registered participants of the EMP-E conference to a back-to-back event under a title "**From Physics to Policy: Overcoming Misperceptions in Energy Policy**". The event is organized by EU Horizon 2020 project EUFORIE in collaboration with the EMP-E conference.

Date: **Thursday, 27th September 2018 at 9:00-13:00.**

Venue: **Turku-Southwest Finland European Office, Avenue Palmerston 26, B-1000 Brussels.**

In the event, the EUFORIE partners give brief presentations on their policy-oriented results, and the participants have an opportunity to give feedback and comments.

The agenda and background material are available at the EUFORIE website <http://www.euforie-h2020.eu>.

Please register at <https://konsta.utu.fi/Default.aspx?tabid=88&tap=4879>

Welcome!

EUFORIE (European Futures for Energy Efficiency) is funded by the EU Horizon 2020 Programme.
